COPING WITH GRIEF

People in recovery from substance use disorder and family members of addicted loved ones have often endured traumatic circumstances, resulting in ongoing grief. Such grief can be especially agonizing during the holidays. At this forum, you will hear from people in recovery and family members of addicted love ones about the grief they've experienced due to addiction and how they've coped. You will also hear from a grief counselor about healthy ways to cope with grief.

**A FREE NARCAN TRAINING WITH COMPLIMENTARY NARCAN KIT FOR IN-PERSON ATTENDEES WILL PRECEDE THE FORUM AT 5:30. TO REGISTER FOR THE NARCAN TRAINING, GO TO:
